[Intro] C G/B Am F C

[Primeira Parte] C G/B Am Am F C

C G/B Am Am F C
Through laughter and memories, I see,

C G/B Am Am F C
A love that was real but no longer for me.

C G/B Am Am F C
The days have passed, time had its say,

C G/B Am Am F C
What once was pain, the wind swept away.

C G/B Am Am F C
And if life calls, I'll answer the sound,

C G/B Am Am F C
What's left behind won't hold me down.

C G/B Am Am F C
With every step, I feel so free,

C G/B Am Am F C
I move on from what time took from me.

[Refrão] C G/B Am F

C G/B Am F
Move on, like the waves to the shore,

C G/B Am F
Move on, I'm not holding on anymore.

C G/B Am F
It was love, it was true, but now it's gone,

C G/B Am F
Now I dance to the tune of what's moving on.

[Segunda Parte] C G/B Am F C

C G/B Am Am F C
No weight in the memories I hold,

C G/B Am Am F C
Just lessons from the paths I've strolled.

C G/B Am Am F C
Love builds us up, even when it departs,

C G/B Am Am F C
And every ending's a brand-new start.

C G/B Am Am F C
And if life calls, I'll answer the sound,

C G/B Am Am F C
What's left behind won't hold me down.

C G/B Am Am F C
With every step, I feel so free,

C G/B Am Am F C
I move on from what time took from me.

[Refrão] C G/B Am F

The present's the place where life draws near.

(Outro)

The past is a dream that I've left behind,
The future's a road where I'll always find,
I move on, but I won't forget,
What brought me here, I'll never regret.
